8th CII IQ NATIONAL SAFETY PRACTICE COMPETITION

Excellence in Workplace Safety

20th May 2025 | Virtual Platform

Share Success Stories | Raise Awareness | Learn best practices

CII Institute of Quality is pleased to announce the 8th edition of the CII IQ National Safety Practice Competition on 20th May 2025, on CISCO Webex platform. We invite you to share your success stories on best practices methods for Excellence in Workplace Safety and also learn from your peers.

CONTEXT

Safety is a vital part of organizational culture and many elements contribute to creating and sustaining a strong culture of workplace safety. Workplace safety is everybody's responsibility moving beyond compliance and is about creating a productive, efficient, happy and inspiring workplace. It requires a team approach and a proactive attitude to learn from indicators of unsafe conditions.

Register and contact CII for the presentation guidelines.
