

LEADING BUSINESS TRANSFORMATION & CONDUCTING STRATEGIC ASSESSMENTS

Assessor Certification Program for CII-EXIM Bank Award for Business Excellence Based on the EFQM MODEL 2025

INTRODUCTION:

Built on Design thinking, the EFQM Model has moved beyond being an assessment tool to one that offers a vital framework for the Organisational Transformation to address today's business disruptions to deliver sustainable business performance and to build a future focused organisation.

This three day intensive workshop using case studies and simulation, aims to develop skills for leading business transformation and assessing the effectiveness of various management approaches and its implementation for achieving excellence.

This program will equip participants with the required knowledge and competences to assess organisation internally and on undergoing CII-EXIM Bank Award for Business Excellence program, based on EFQM Model 2025
